Keep dough and cheese refrigerated. If frozen allow to thaw for at least one day in refrigerator. Dough will keep for 7 days after thawing if kept refrigerated. Refer to best by date on cheese and sauce for storage. For best results let dough proof at room temperature for 30 minutes before stretching so that it is nice and soft! Cooking Instructions: Preheat Oven to 475°. Lightly coat the dough in flour and push flat with palm, then pick up the dough and stretch to desired size. Brush dough lightly with oil and add sauce, cheese and toppings. Bake 8-10 minutes or until golden brown. Enjoy!
